Subject RE: Omega OU-1 FS comment letter

History:  This message has been replied to.

Chris - Ed is now an airplane (lucky lad), so I'll forward an immediate question to you. Given that we spent considerable time with you late last year wordsmithing and reaching agreement on the RAOs, can you provide us with some insight behind General Comment No 4? As you can surmise, your proposed simplified language will need to be reviewed and commented on by OPOG representatives, which may endanger your May 9 target.

Thanks!  
Dave

Ed,

Hard copies will follow via regular mail. As discussed, please let me know as soon as possible whether OPOG can provide the final FS by 5/9/08. Thanks,

Chris
